LETTER OF RECOMMENDATIONS

Braddock's has worked closely with the Riddlesbrood Touring Theatre Company for more than two years now....

Our customers love the shows and Ryan has gone out of his way to make sure the dinner theatre experience goes off without a hitch for harried restaurant owners such as myself.

I just wanted to write to tell you how impressed I was with your performance at the Borough of Glassboro's Annual Tree Lighting event...I have received numerous phone calls from residents as well as elected officials that attended the event and they just raved about your troupe's performance and the quality of the show. You were extremely accommodating and very easy to work with....we will definitely be calling upon your services again.

It has been my pleasure to work with Ryan Long and The Riddlesbrood Production Company for 4 years in the entertainment industry. The Riddlesbrood Production Company has delighted our customers for the past several years and will, undoubtedly, continue to do so for many years to come.

I have employed the Riddlebrood Production Company for the last 4 years.... I have also sent a number of Senior Citizens' Groups up to the Showbarn in Smithville to enjoy 3 or 4 of their productions. Their annual Christmas show has always been a huge hit in Somers Point and the audience can't seem to get enough of their engaging humor. They have also been very affordable, which is important when you are dealing with a limited budget.
